Agenda

Start your school's journey towards transforming writing and inspiring creative thinkers.

Workshop One is fun, interactive and packed full of practical activities to try (and keep). You'll be ready to start teaching the next day!

Bring our presenters to you! Choose to learn face-to-face at your school or online at a time that suits you.

Session One

- **Step 2: Sizzling Starts** – Start with a bang! This fun and easy Step is guaranteed to engage your students.
- **Step 3: Tightening Tension** – Learn how to build momentum in narrative, persuasive and informative texts to keep the reader hooked.

Session Two

- **Step 7: Exciting Endings / Endings with Impact** – Know your destination before you start, and end your text in a way that satisfies the reader.
- **Step 1: Plan for Success** – Learn how to brainstorm and develop ideas; use the Seven Steps writing graphs to structure narrative, persuasive and informative texts.

Session Three

- **Step 4: Dynamic Dialogue** – Use the right words from the right people to bring texts to life.
- **Step 5: Show, Don't Tell** – Discover the power of 'showing' to engage the reader.
- **Step 6: Ban the Boring** – Learn how to cut out the boring bits as you write and then as you revise and redraft.
- **The Wrap (Putting It All Together)** – Put everything you've learnt into practice to create a group persuasive text.

'I am able to see success in the implementation of the Seven Steps across the whole school – we have seen improvement in student writing and in our writing culture. Students are excited about writing!'
