

SEVEN STEPS ROAD MAP – PART 1

This road map shows how to roll out what you have learnt in Session One and Two in your classroom. It is designed to help you progress students from practising individual Steps to writing full, rich texts in groups and then individually.

Ability level	Duration	Description	What to read	Related resources
Beginner writers	10–16 weeks	Introduce each Step (or at least the core structural Steps – 1, 2, 3 and 7)	Workshop One Theory Workshop One Starter Plan	Theory refresher Workshop Two Resources page (see post-event email)
Intermediate writers	2 weeks per text type	Plan and write complete texts collaboratively in groups of five for different topics and text types	Workshop Two Sessions One and Two	Persuasive Brainstorming – Open-Ended Topic template Persuasive Writing Graph template Collaborative Writing template Informative Brainstorming for Research template Research Record template Selecting and Ordering template Informative Writing Graph template Collaborative Writing template
Advanced writers	2 weeks	Gradually reduce the number of students in the group	Workshop Two Session Two	Reuse templates above
		Students write solo	Workshop Two Session Two	Reuse templates above
