Abi, it's almost showtime and places in our free live masterclass are filling up fast!

If you'd like to join us and see how Sizzling Starts can transform your students' writing and engagement, then be quick – the masterclass is next week 😊

Monday 5 August, 3:45 pm AEST

Once you know the techniques for creating a start that sizzles, you'll be amazed how simple they are to teach ... and how fun they are to learn!

Learn the techniques to go from this ...

I woke up that morning really nervous. Today was the day of the big dance competition. Sam and I had been practising for months. This year we would do it. We would beat that Penelope and her partner once and for all. I leapt out of bed ...

To this ...

I opened the door and the music hit me like a blast. Lights flashed, people moved in a swirl of colour and it was suddenly hard to breathe. Nerves, I guess. It was the big dance competition. Sam and I had been practising for months.

This year we would do it. We would win. We must!

'Hi there!' It was Penelope. Yeah, it would be. 'Bet you think you're going to win tonight.'
